To good memories of future...

We have a dream. The more we learn, the more we write. We play, tell stories, work together, hunt tourists, sing... We speak, write and read in English.

OUR CAT

        

Hello! My name is Emma. I'm twenty five years old. I'm from England and I'm English. I'm married. I have got two kids. I like cats.

Today we go to the zoo.

The cat is with us. Our cat's name is Chocolate. We love Chocolate.

One day Chocolate is disappeared. And we are very worried. We are looking for our cat. But we don't find her. After many years, we find her. After it has kittens.

And our mother cat is dead. Little babies are very sad. At first, they don't get used to it. Then they like to live with us. I love them very much. They are very happy.

And they live happily after.
